

PHINNEY NEIGHBORHOOD ASSOCIATION

The Phinney Neighborhood Association (PNA) is a nonprofit organization dedicated to building community by providing programs, services and activities to connect members and foster civic involvement in our diverse community.

The Phinney Neighborhood Association serves the community in these areas:

Bringing People Together

We provide space at the Phinney Neighborhood Center and Greenwood Senior Center for events, classes and other activities.

Enriching Lives

We stretch the mind and body through educational experiences for all ages.

Nurturing Youth and Families

Cooperative preschools, youth enrichment, child care, parent education and adult support groups sustain families and build community.

Supporting Arts and Culture

An art gallery, dances, concerts and other performances reflect our commitment to the arts.

Serving Our Community

We maintain a strong volunteer program and deliver services through our soup kitchens, senior center and partnerships with other community organizations.

Community Begins Here!
