## Preschool Summer Camp Overview

Whittier Kids! Preschool Summer Camp is a magical time for children ages 3 - 5. This camp is designed for those little ones who want an experience socializing with their friends while learning. The staff has designed a camp curriculum that will keep the kids moving, laughing, and enjoying the summer.

At preschool camp, the children will make new friends, learn new things, create works of art, and experience independence in a fun, safe, and nurturing environment. In addition to weekly trips to the wading pool (weather permitting) and field trip adventures, the children will enjoy arts & crafts, singing, dancing, games, stories, science activities, cooking, and nature walks.

Whittier Kids! Preschool Summer Camp believes that children learn by doing. Therefore, we provide activities which engage the camper in active participation. All camp activities are structured so that they are interesting, challenging, rewarding and fun. We encourage young people to respect and support each other. We provide activities which encourage the campers to explore ways to work as individuals and together as a team, to build friendships.

## Camp Sessions

### 1: July 6-10 – The Deep Blue Sea

Come on a journey under the sea. We will explore and learn about the fascinating creatures that live in and around the ocean. Through active inquiry, we will answer questions such as how long is a whale and what does sea urchin feel like. We will experiment with salt water. Take a trip to the aquarium!

### 2: July 13 - 17 – Creepy Crawly

Get your hands on some creatures that slither, buzz, jump and wiggle through life. See how they act, what they eat, and where they live. Visit the Pacific Science Center and be amazed by an entomologist!

### 3: July 20 - 24 – Animal Madness

Calling all animal lovers! Join us for a week of fun and furry activities including a trip to the Woodland Park Zoo, a Stuffed Pet Show, and lots of animal arts and crafts.

### 4: July 27 - 31 – Movin' to the Music

Shuffle your feet, stomp to the beat and move to the music! Join us for a week of instrument making, singing songs, and going on musical journeys. Visit the Seattle Symphony's Soundbridge or the Experience Music Project.

### 5: August 3 - 7 – Kid Builders

It is a week of creative building fun -- join us as we construct our own lemonade stand and end the week with homemade lemonade and treats at our very own stand! Visit the Children's Museum.

### 6: August 10 - 14 – Splish, Splash!

Beat the heat with a week of water fun. We'll spend the week exploring water with all five senses. Bubbles, popsicles and a run through the sprinkler are just a few of the many water adventures. Take a trip to Golden Gardens!

Whittier Kids! Preschool Summer Camp is located at Whittier Elementary, RM 102, 1320 NW 75th Street, Seattle, WA 98117. Children bring their own lunch, but snack is provided.
