

QUILT RAFFLE TICKET SALES INSTRUCTIONS & PROCEDURES

Your job is to sell as many raffle tickets as possible! Have people fill out the tickets, cut in half, and put the end with their name and phone number into the jar.

Raffle ticket prices are \$1 each, 6/\$5. If you are running low on tickets let the building supervisor know. When you have free moment, it is a good idea to bundle up groups of 6 tickets, so they will be ready for people who want to buy \$5 worth. You can use the paperclips for this.

The raffle drawing will be held at 4:30 p.m. on Sunday at the Gallery Stage. You do not need to be present to win.

If you need help, find the building supervisor or an event coordinator. They are carrying radios.

The quilt was made and donated by "Stash Busters", a group of local quilters of all ages that meets at the Greenwood Senior Center on two Thursday evenings a month. If people would like to join this quilting group, they can leave their names with you and someone will contact them.

When your shift is over, please be sure your replacement arrives before you leave. Take a moment to orient the new worker to the job. Contact anyone with a radio if your replacement does not arrive in a timely manner.

**THANK YOU VERY MUCH FOR HELPING.
YOUR SUPPORT FOR THE PNA IS MUCH APPRECIATED!!!**
