

Garage Sale Day Registration FAQ 2019

What is the PNA Garage Sale Map?

The map shows the locations of garage sales throughout the Phinney/Greenwood neighborhood on June 9. The map is available in an interactive, mobile-friendly online version and in print at the Phinney Center. You may register your sale to be listed on the map at phinneycenter.org/garagesale. Take a look at last year's online [map](#).

What are the "Sale Descriptions" and "Sale Categories"?

You may include a description of your sale (10 word or less), which will appear with your listing on the online and print map. The online map allows shoppers to search sales by category; you may also select categories that will be used for the search function on the online map. Categories will not appear on the print map.

What if I don't live near the Phinney Center?

Anyone is welcome to list their garage sale on the map. However, the most successful sales tend to be between 8th Ave NW & Linden Ave N and 85th St & 65th St (see [last year's map](#)). If you live outside this area, you may want to consider reserving a spot at the Phinney Center Flea Market.

How does the Flea Market work?

The Flea Market is located in the south end (behind the fence) of the lower parking lot at the Phinney Center, 6532 Phinney Ave N. Set-up begins at 7 am and the Flea Market begins at 9 am. Flea Market spaces are 10 x 15 ft. Spaces are assigned on a first-come, first-serve basis, and do not include tables. You may reserve a flea market space at phinneycenter.org/garagesale.

Where can I take things that I don't sell?

There will be a Goodwill donation truck as well as electronics recycling bins onsite at the Phinney Center lower parking lot. Note that the Goodwill donation truck may fill up quickly. Donations can also be taken to the nearby Goodwill store at 8th Ave NW & NW 65th St.

How is Garage Sale Day publicized?

The PNA sends out press releases and advertises Garage Sale Day in local news publications, distributes posters and flyers, and promotes the event on our website, newsletter, and social media. However, word of mouth is often the most effective form of advertising. Tell your friends and refer them to phinneycenter.org/garagesale for more information.

What if it's raining?

Garage Sale Day and the Flea Market will be held rain or shine. **Please note that registration fees are non-refundable.**
