What is PhinneyWood Garage Sale Day?

Garage Sale Day is an annual neighborhood-wide event for neighbors to sell their stuff and/or spend a day yard-sale hopping and shopping. PhinneyWood residents can host a sale in their yard/garage. Anyone may reserve an outdoor “booth” at the Flea Market in the Phinney Center lower parking lot. The PNA publishes an online mobile map for shoppers to find and visit the sales in the neighborhood.

What is the PNA Garage Sale Map?

The map shows the locations of garage sales throughout the Phinney/Greenwood neighborhood on May 21. Shoppers use the map to find the sales they want to visit. It will be published to the public closer to the event.

This year we have a new map program that allows you add your own info and edit it as often as you like so you can make sure your listing is exactly the way you want it to be. You can also include photos! You will receive information about how to add your point to the map when you register.

Tips for your map point: Make your title short and descriptive, using 4-5 words to help shoppers quickly identify what you are selling. You may also add a longer detailed description of your sale if you want to say more about it. The title and description will appear with your listing on the online map. The more specific and appealing your title and description are, the more helpful it is for neighborhood shoppers. (Use: “Multi-Family Sale! Kids gear and sporting equipment” instead of “Big Sale, lots of stuff”).

What if I don't live near the Phinney Center?

Anyone in PhinneyWood is welcome to list their garage sale on the map. (PhinneyWood boundaries are from the Zoo to 105th and 8th Ave NW to Aurora.) The most successful sales tend to be between 8th Ave NW & Linden Ave N and 85th St & 65th St. You can also sign up for a spot in the Flea Market in our parking lot.

What is the Flea Market?

The Flea Market is a market in our lower overflow parking lot. If you register for a Flea Market spot you will get a 10x10 space, a table and chairs (you carry) and lots of foot traffic. You must keep your sale open for the duration of the event (9-1). Load in is from 7:30-8:30, load out is from 1:15-2:30. Space is limited.

Where can I take things that I don't sell?

Donations can be taken to the nearby Goodwill store at 8th Ave NW & NW 65th St.

How is Garage Sale Day publicized?

The PNA advertises Garage Sale Day in local news publications, distributes posters and flyers, and promotes the event on our website, newsletter, PhinneyWood blog and social media. However, word of mouth is often the most effective form of advertising. Tell your friends and refer them to phinneycenter.org/garagesale for more information.

What if it's raining?

Garage Sale Day will be held rain or shine. **Please note that registration fees are non-refundable.**
